WORKPLACE HEALTH & SAFETY MANAGER - Full Time

The Translational Research Institute (TRI), based in Woolloongabba, is a leading Australian innovative medical research, development and translation facility. It is home to a range of cutting edge technology developments including interventions to prevent and treat human disease and provide diagnosis of early treatable disease.

Reporting to the Director – Building Operations, the primary purpose of this position is to provide outstanding workplace health and safety management to TRI, provide advice to the TRI executive on all WH&S matters, and act as liaison for TRI to its stakeholder institutions for WH&S matters ensuring coordination between the individual stakeholders and TRI as a whole.

Key responsibilities include:

- Lead and establish the implementation of safety management systems for TRI
- Develop, coordinate and advise on risk management systems for TRI
- Lead projects designed to improve workplace health and safety in TRI
- Lead and coordinate the development of safe work procedures for specialised or high-risk equipment and facilities

Selection Criteria:

To be successful in this role, you will have:

- Substantial experience in WH&S management including WH&S related practices relevant to activities undertaken in a biomedical research institute
- High level interpersonal and written and oral communication skills, including the ability to establish cooperative working relations with staff across the Institute
- Thorough understanding of the principles and legislation related to Workplace Health & Safety
- Knowledge of research and academic policies and procedures relating to WH&S
- Formal qualifications in workplace health and safety or a related discipline or an equivalent combination of relevant experience and/or education/training; or postgraduate qualifications and extensive relevant experience; or extensive management experience and proven management expertise in WH&S

If this sounds like your next challenge, please submit your cover letter, resume and a statement addressing the selection criteria to careers@tri.edu.au quoting reference 1064. Please note the Position Description can be found on www.tri.edu.au/opportunities.
