

Get re-acquainted with Cytiva

Cytiva, our name is new, but we've been here for nearly three centuries.

Join us for morning tea and take a look at some of our flagship brands. Chances are, our paths have crossed.

- ÄKTA™ chromatography systems
- HiTrap™ preppacked chromatography columns
- Amersham™ imaging systems and western blotting
- HyClone™ cell culture products
- Biacore™ surface plasmon resonance systems
- Pall® and Whatman™ filtration products
- Sera-Mag™ magnetic beads

Date:

Wednesday June 21st

Time:

9:30am to 11:30am

Location:

Level 7
Staff Lounge at TRI
