

Meet the local Cytiva team

Cytiva, our name might still sound new, but we've been here for nearly three centuries.

Join us for morning tea and take a look at some of our flagship brands. Chances are, our paths have crossed.

- ÄKTA™ chromatography systems
- HiTrap™ preppacked chromatography columns
- Amersham™ imaging systems and western blotting
- HyClone™ cell culture products
- Biacore™ surface plasmon resonance systems
- Pall® and Whatman™ filtration products
- Sera-Mag™ magnetic beads
